CONFLUENCE 2027

INTRODUCTION

The Greater Bay Area is home to **350,000–500,000**. Indian residents — a massive pipeline of high-intent innovators, engineers, & founders steering global AI & enterprise technology.

India brings extraordinary talent density, engineering depth & entrepreneurial energy. The Valley brings capital, networks & a playbook for category-defining companies.

The Innovation Hub is our long-term mission: a state-of-the-art co-working and laboratory space in the Bay Area.
